

PROMICE

“EMBARK ON A VISUAL ODYSSEY
WHERE REALITY BENDS TO OUR WILL”

08 YEARS OF SUCCESSFUL EXPERIENCE

We are a leading **Visual Effects Studio** dedicated to bringing **Captivating** and **Immersive** visual experiences to the **World of Entertainment**.

Established in 2017, PROMICE brings eight years of creative mastery to the forefront. Specializing in VFX, Animations, Media Production, Branding, and Marketing, we've actively contributed to over 200 projects, delivering extraordinary creatives and visual effects. Our client-centric and creatively driven approach ensures a collaborative journey, transforming imagination into reality with each project.

OUR SERVICES

CGI & VISUAL EFFECTS

Composition, Wire removals, Rotoscopy, Pre- Visualization, Matte painting, Clean ups, Virtual Reality and Augmented Reality.

Enhance your storytelling using our VFX skills. We skillfully combine real-world elements with imaginative ones, crafting breathtaking cinematic experiences that captivate and immerse audiences

3D

Modeling, Rigging, Texturing, Animation, Rendering, Simulation, Roto motion.

Our services encompass 3D animation, offering a range of visually immersive solutions for industries such as entertainment, gaming, simulations, and architectural visualization.

DIGITAL INTERMEDIATE

Color correction, Di coloring, HDR10 mastering, DCP conversation.

At our company, our Digital Intermediate services enhance filmmaking by skillfully combining advanced technology with artistic expertise. We specialize in carefully adjusting colors and enhancing visuals, aiming for a cinematic masterpiece that captivates and resonates with the audience.

ANIMATION

Character Animation, World Design, Storyboarding, 2D Animation, 3D Animation Motion Graphics.

Bring your stories to life with captivating animation that features lively characters, dynamic worlds, and compelling storytelling resulting in unforgettable journeys.

MOTION GRAPHICS

Our offerings include motion graphics services, where we bring static graphics to life through dynamic movement, enhancing visual appeal in various multimedia presentations, videos, and promotional content. Adding visually engaging animated elements to enhance videos or presentations.

COMMERCIALS

Transform your brand into a visual story with our commercial production, where creativity meets strategy for impactful advertising.

Our commercial services turn concepts into compelling visuals, ensuring your brand stands out and resonates in the competitive market.
